12TH AND 13TH OF DECEMBER

TORONTO, November 26th, 1919.

Sir Robert Falconer,
University of Toronto,
Toronto.

Dear Sir:

The Alumni of the Faculty of Applied Science and Engineering is holding a Reunion on the 12th and 13th of December. The principal item on our programme is to be a dinner to be held in Hart House on the Saturday evening, December 13th. It will give us much pleasure if you could arrange to be our guest on that evening and respond to the "Toast to Alma Mater".

Feeling assured of your interest in this affair, I would like to add that we are arranging for a large dance in the New Masonic Temple for the Friday evening, and for a joint meeting of the Engineering Society and of the Alumni in Convocation Hall on the Saturday morning. We are expecting that the members of the Engineering Faculty are arranging for a reception to be held in the School Buildings on the Saturday afternoon, and the dinner on Saturday night will complete our programme.

We are putting forward a great deal of effort to make this Reunion a very successful affair and to bring out a large number of the Engineering Alumni, and at the time of writing our hopes appear to be justified.

Yours very truly,

C E Macdonald

CEM:JW.
